

2009 Cardiology Disease Scholarly Activity

Publications

Ruby RS, Wells D, Sankaran S, Good E, Jongnarangsin K, Ebinger M, Bogun F, Pelosi Jr. F, Oral H, Morady F, Chugh A. Prevalence of fever in patients undergoing left atrial ablation of atrial fibrillation guided by barium esophagography. *Journal of Cardiovascular Electrophysiology* 2009 Sept20(8): 883-887. Epub 2009 Apr 2. PMID: 19368586

Xia H, Zhao X, Bains J, **Wortham DC**. Influence of channel blockers on cardiac alternans. *Conf Proc IEEE Eng Med Biol Soc* 2009; 1:2823-6

Venero CV, Heller GV, Bateman TM, McGhie AI, Ahlberg AW, Katten D, Courter SA, Golub RJ, Case JA, Cullom SJ. "A Multicenter Evaluation of a New Post-Processing Method with Depth-Dependent Collimator Resolution Applied to Full and Half-Time Acquisitions Without and With Simultaneously Acquired Attenuation Correction. *J Nucl Cardiol*. 2009 Sep- Oct:16(5):714-25. Epub 2009 Jul 7. PMID: 19582531

Carroll RC, Worthington RE, Craft RM, Snider CC, Dakin PA, **Wortham DC**, **Scott J**, Jarrett A. Post interventional cardiology urinary thromboxane correlates with PlateletMapping© detected aspirin resistance. *Throm Res* (2009), doi: 10.1016/j.thromres.2009.11.016. Article in Press

Thompson PD, **Venero CV**. "A History of Medical Reports on the Boston Marathon: 112 Years and Still Running." *Med Sci Sports Exerc*. 2009 Jun; 41(6): 1341-8

Bains J, **Bresee SJ**, **Wortham DC**. Investigation of time to reperfusion in rural patients with ST elevation MI treated percutaneous intervention, Scientific Session at the Society of Cardiac Angiography and Intervention Scientific Session. May 2009, Las Vegas, NV

Xia H, Zhao X, Bains J, **Wortham DC**. Diagnosis of heart rhythm disorders based on ECG signal analysis. *Proceedings of the First Annual ORNL Biomedical Science and Engineering Conference*. March 18-19, 2009

Venero CV, Thompson PD. "Managing Statin Myopathy." *Endocrinol Metab Clin N Am*. March 2009; 38(1): 121-136

Venero CV, Venero JV, Seip RL, Thompson PD. "Effectiveness of Trice Weekly Ezetimibe." *Am J Cardiol* 2008 November 1; 1q02(9):1205-6 Epub 2008 Aug 27. PMID: 18940292

Invited Lectures

Rogers B. "Congestive Heart Failure Update." Heart, Lung, Vascular Update for Primary Care Providers: Tools & Treatments for Improved Patient Management: UT Conference Center Knoxville, TN September 11-12, 2009

Crook J. "Recent Cholesterol Trials: What are the Implications for Practitioners?" Heart, Lung, Vascular Update for Primary Care Providers: Tools & Treatments for Improved Patient Management: UT Conference Center Knoxville TN September 11-12, 2009

Wortham D. "CT Coronary Angiography and Calcium Scoring" Presented at the Heart, Lung, Vascular Update for Primary Care Providers: Tools & Treatments for Improved Patient Management", September 11-12, 2009, UT Conference Center- Knoxville, TN.

Cox J. "Atrial Fibrillation: Diagnostic Evaluation and Medical Therapy." Heart, Lung, Vascular Update for Primary Care Providers: Tools & Treatments for Improved Patient Management: UT Conference Center Knoxville TN September 11-12, 2009

Cox J, Hirsh J, Huntsinger R, Crook J. "Panel Discussion: Atrial Fibrillation Cases." Heart, Lung, Vascular Update for Primary Care Providers: Tools & Treatments for Improved Patient Management: UT Conference Center Knoxville TN September 11-12, 2009

Bresee S. "Novel Anti-Platelet Drugs: Where Do They Fit? Can Platelet-Function Tests Guide Therapy?" Heart, Lung, Vascular Update for Primary Care Providers: Tools & Treatments for Improved Patient Management: UT Conference Center Knoxville TN September 11-12, 2009

Venero C. "Statin Myopathy." Invited "Visiting Professor" Grand Round Speaker at Susquehanna Health System: Williamsport, PA October 2, 2009

Venero C. "Various Lipid Topics." Invited "Visiting Professor" Noon Lecture Speaker at Susquehanna Health System: Williamsport, PA October 2, 2009
