

THE UNIVERSITY of
TENNESSEE
Graduate School of Medicine

The University of Tennessee College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

It is the role of the UT Continuing Medical Education office to assist departments, organizations and agencies in certifying educational activities as continuing medical education for physicians and allied healthcare professionals and insure those courses are compliant with ACCME requirements.

Course Directors of conferences are responsible for insuring that all on-site activities certified as CME activities are compliant with the ACCME standards. All speaker presentations and handouts must be reviewed and approved for the activity.

Speaker Name:

Date of Presentation:

Presentation Title:

I have reviewed the presentation and handout materials.

The presentation and handouts contain educational material suitable for CME credit.

The presentation is compliant with standards regarding commercial bias and conflicts of interest.

The handouts are compliant with standards regarding commercial bias and conflicts of interest.
