

# University Family Physicians Patient Portal

A secure website where you can view medical information and communicate with your physician.

## What can you do on the Patient Portal?

- Send a message to your doctor
- Refills
- Lab Results
- Request an appointment
- Referrals
- Update your information
- Make a payment

**Sign up for  
the UFP  
Patient Portal  
Today!!**

## GETTING STARTED

**First ask at the front desk or check out for a PIN to get started. Or call the office at 865-305-9350**

## ACCESS YOUR ACCOUNT

Once you have received your PIN, you will receive a secure email message from UFP with a link to enter a password and complete the registration process.

## FINISH REGISTRATION

You will need to complete three registration steps in order to start sending and receiving secure messages from this office.

WE'VE WORKED WITH A DIVERSE PATIENT BASE. HOW CAN WE HELP YOU?

Hemos trabajado con una base diversa de pacientes. ¿CÓMO PODEMOS AYUDARLE?
