 Medical Building B Suite 127
 1928 Alcoa Highway
 Knoxville, Tennessee 37920 | 865-305-9410

“As a part of the University of Tennessee Health Science Center College of Medicine, the UT Graduate School of Medicine strives to meet the needs of our community, region and state through healing, education, and discovery.”

UT Internal Medicine Center

UT Internal Medicine Center

Our office is staffed with 8 Board-Certified Internists and 30 resident physicians dedicated to serving the primary care needs of the East TN community. Each patient will be seen by a resident physician under the supervision and guidance of an attending physician. Our staff proudly endorses being a part of a large teaching academic center and our mission of healing, education, and discovery can be seen with each office visit. As part of that mission, patients are encouraged to actively participate in their health care decisions.

Message from the Clinical Director:

Our goal in the center is to provide comprehensive medical care through a team approach. Your resident physician will manage your care under the guidance and supervision of an experienced attending physician. We consider our patients an important part of the healthcare team and invite them to participate in their healthcare decision making.

Juli Williams, MD
