Nedra Cook asked if anyone attended the evidence based medicine class and Lisa responded that the ETSU people had done so. Shelia Snow Croft mentioned a course she had taken that was presented by Gerald Perry, the Executive Director of MLA, called "Librarian as Professional." She said that it was very good, and that he had an interactive teaching style.

Michael Lindsay asked about future webinars. Shelia Snow Croft stated that NN/LM will be having a webinar (topic?) on November 18th.

Lisa Travis and Michael Lindsay began a discussion about a conference call to discuss current THESLA membership and whether or not to continue it. Lisa Travis listed the new officers for THESLA

Sandy – president

Michael Lindsay – Membership Chair

Lisa Travis – Secretary

Nedra Cook asked if KAHSCLC members who are not currently THESLA members should join to increase enrollment. There was a discussion about the THESLA website & wiki; it was commented upon as being a good resource for information about THesLA. Michael Lindsay reported that he would be updating the Membership list for THesLA. Michael Lindsay will send out the link to these sites to the KAHSCLC members.

There was a mention of the Survey Monkey software as a tool. Nedra Cook said it is very good software. Shelia Snow Croft stated that NN/LM uses it, but their account can't be shared by regional members.
