Site 1-University of Tennessee Medical Center
Site 2-Dermatopathology Partners
Site 3-East Tennessee Children's Hospital
Site 4-Molecular Pathology Laboratory
Site 5-MEDIC Regional Blood Center
Site 6-Regional Forensic Center (RFC)
Site 7-Tennessee Regional Laboratory
Site 8-Medical Laboratory Science Program

Resident vacation time:
Residents request vacation time through the chief resident. Program Director then approves leave request form. Note: The department follows the ABP requirement of 48 weeks per year attendance averaged over 4 years.

SP – Surgical Pathology
BB – Blood Bank/Transfusion Medicine
LM – Lab Management and Informatics
A – Autopsy Pathology
M – Microbiology
DP – Dermatopathology
PP – Pediatric Pathology
CP – Cytopathology
HP – Hematopathology
MLS – Medical Laboratory Science
CC – Clinical Chemistry
MP – Molecular Pathology
R – Research
E – Elective/Selective Pathology
O- Orientation

Possible Surgical Pathology Electives

Autopsy Pathology: located at Site 6
Cytopathology: located at Site 1
Dermatopathology: located at Site 2
Surgical Pathology: located at Site 1

Possible Clinical Pathology Electives

Chemistry: located at Site 1
Hematology: located at Site 1
Microbiology: located at Site 1 & 7
Molecular Pathology: located at Site 4
Transfusion Medicine: located at Site 1 & 5
